

MassageU

Company Chair Massage Contract

- Chair massage sessions will be for 5, 10, or 15 minute intervals. The Company can decide length of massage. Be advised that there will be time needed between each massage for clean up and set up for the next client.
- The company shall provide a quiet space large enough to handle the chair massage with a working electrical outlet and working light.
- The therapist will be available for the number of hours contracted. The therapist will work on the clients during those hours. It is up to the company to provide clients. The therapist will be paid for the hours contracted regardless of the number of clients worked on.
- Fee: \$250.00 per day
- Payment: One check issued by company on the day of service made payable to MassageU.
